We also support many of these missions and others with volunteer service, clothing and food drives, and special offering collections such as Souper Bowl of Caring, Fifth Sunday Offering, Project Linus of Central Texas, CROP Walk for Hunger, Texas Baptist Offering for World Hunger, Refugee Services of Texas, and Lottie Moon. Small groups, such as Sunday School classes, Men's Prayer Breakfast, and Sisters in Service, also support a wide range of missions projects with special offerings, including SafePlace, River Ministry, eMI, Heifer Project, and our Youth Summer Mission Trip.

## *Micah 6 Austin is a network of faith communities that answer the call of Micah 6:8 in the UT area*

Highland Park Baptist Church is a member congregation of Micah 6 Austin along with 10 other churches: University Baptist, University Presbyterian, All Saints Episcopal, Congregational Church of Austin, First English Lutheran, Hyde Park Presbyterian, St. Austin Catholic, University Avenue Church of Christ, and University United Methodist. This network of faith communities provides services to people in the UT area.

Micah 6 Austin is also an item in our Missions budget, and Alana Mallard currently represents Highland Park on the board of directors of Micah 6 Austin. Mac McKaskle is director of the drop-in center, and Riena Long is director of the food pantry.

*What does the Lord require of you? To do justice, love kindness, and walk humbly with your God.*

— Micah 6:8

## MICAH 6 FOOD PANTRY

### GET INVOLVED!

► **Serve at the Food Pantry:** December 10th (5:00–7:30pm) and 12th (9:30am–noon), we'll gather a group to help at the Micah 6 Food Pantry. Kids 7 and older are welcome as volunteers at the Micah 6 Food Pantry.

► **Help "Shop For" the Food Pantry:** We need volunteers on 2nd and 3rd Thursdays for "Shop For" at Capital Area Food Bank, a 30-minute time in the morning or afternoon where volunteers may pick items to supplement what the Micah 6 Food Pantry already offers.

► **Share Your Table:** We support the Food Pantry with our regular Share Your Table donations of non-perishable food.

**For more information about these opportunities, contact Alana Mallard.**

*The Micah 6 Food Pantry, housed at University Presbyterian Church, is the largest self-pick food pantry in Austin.*

*Did you know?*

The bulk of Micah 6 Food Pantry food comes from Capital Area Food Bank, which charges only transportation costs, and from area grocery stores, where volunteers for Micah 6 "rescue" food by picking up deserts, bread, vegetables, fruit, and other items that stores remove from their shelves.

### RECENT NEWS

In September, the Food Pantry saw 1,253 shoppers on Thursdays and Saturdays who shopped for more than 37,000 pounds of food – about 30 pounds of food per shopper. In September and October, our Share Your Table donations totaled nearly 300 pounds – enough for 10 shoppers. Every bit of your donation helps.

# STREET YOUTH DROP-IN CENTER

Computer lab at the Micah 6 Street Youth Drop-In Center

*The Micah 6 Street Youth Drop-In center has been in operation nearly four years, ministering to young people up to the age of 30.*

The drop-in center, housed at University Baptist Church, is open every Sunday afternoon from 2 p.m. till 6 p.m. with snacks, a hot meal, rest, computers, comfortable couches and chairs, games and art, and time away from the street and extreme weather.

Long-time drop-in center volunteer Craig Bell and his church, University United Methodist, have recently arranged for a social worker to begin work with clients of the drop-in center to help with finding housing, employment, and school. Micah 6 board member Jane Leifester has organized a pregnancy-help program to provide mentors and help for young pregnant women on the streets. Jane calls the program the Granny Project. And Street Youth Outreach Director Mac McKaskle recently got UBC deacon approval to make condoms available on Sunday afternoons in the bathrooms used by the drop-in center clients.

Besides Sunday afternoons, the drop-in center opens as a freeze shelter for young people on nights when temperatures drop too low for safety. Last winter, the drop-in center had about a dozen freeze nights. Volunteers are also needed for these nights, and a stipend is offered for overnight hosting.

## GET INVOLVED!

► **Donate socks and shoes:** HPBC is collecting new or used shoes (men's or women's, athletic or sturdy low-heeled casual shoes or boots) and new socks for the clients to deliver to the center. Boxes will be in the Atrium for donations until Nov 15.

► **Donate hygiene items:** Shampoo, body wash, hand sanitizer, razors and shave cream, sanitary pads, toothpaste and toothbrushes, and lotion are always appreciated.

► **Donate caps, gloves, and scarves:** Watch for a donation box in the Atrium for a cap, glove, and scarf drive for Christmas presents for drop-in center clients. We will deliver on Dec 15, and all are welcome to help.

► **Help serve an afternoon meal at the center on Nov 15:** We'll heat up chicken spaghetti after our Celebration Luncheon and leave HPBC around 3:30p.m.

► **Volunteer as an afternoon host:** Hosts are needed on Sunday afternoon from 2-6 p.m. The time could be split between two people.

For more information about volunteering at the center, contact Mac McKaskle at [dropin@micah6austin.org](mailto:dropin@micah6austin.org)

# BAPTIST COMMUNITY CENTER

*Art, Don, and Donna deliver food from the spring food drive to the Baptist Community Center Mission*

Highland Park contributes to Baptist Community Center's big food drives in the spring and fall, and we also help with kids' activities such as Vacation Bible School in the summer and a Christmas party.

This is an aging building in East Austin and cleanup and construction help is always appreciated.

# PLAYGROUND REVAMP

*The Boy Scouts cleaned and painted our playground in September. We are so grateful for their service!*

# PARSONAGE PROJECT

Built in the early 50's, our parsonage was home to our pastors and their families for nearly 30 years. Next it was used for Sunday School classes. In the 90's Highland Park leased the parsonage to Foundation For the Homeless, which they used as a day center, offices, and emergency shelter for the families in their care.

When Foundation outgrew us and moved, we had the opportunity to look for a new purpose for the home at 5202 Balcones Drive. A decision was made to renovate the building to bring it closer to market value, which allows us to do more missions and gives us some financial flexibility.

The parsonage is now home to offices for Cabo Bob's, a local burrito restaurant with two Austin locations. Cabo Bob is not just a new neighbor and tenant, but will also provide catering for some church events.

It took help from every age group in our church to get the parsonage ready for its new life. More than 35 members lent a hand to the renovation. In fact, two-thirds of the renovation budget was given through in-kind donations, expertise, and volunteer labor.

The house looks great with new vinyl plank flooring, new bathroom fixtures and tile, upgraded electrical systems, a new efficient HVAC system, new paint, new gutters, new gas range, new lighting fixtures, corrected plumbing issues, new hearth, and improved laundry room. We achieved the goal of increasing its market value and improving efficiency.

“ The value of the project wasn't just in giving us new ways to help more people and the wild possibilities that affords. The real value, in my mind, was how our families grew together as they worked to give this home new life. ”

— Kevin Mitchell

Thanks to everyone who has had a hand in this adventure and to the One who brings us together as family and is our Home.
