#172 Hosanna, Loud Hosanna

Hosanna, loud hosanna, the little children sang;
Through pillared court and temple, the lovely anthem rang.
To Jesus, who has blessed them, close folded to His breast,
The children sang their praises, the simplest and the best.

From Olivet they followed among the joyful crowd;
The victor palm branch waving, with singing clear and
loud.

The Lord of earth and heaven rode on in lowly state,
Nor scorned that little children should on His bidding wait.

“Hosanna in the highest!” that ancient song we sing;
for Christ is our Redeemer, the Lord of heaven, our King.
O may we ever praise Him with heart and life and voice,
And in His blissful presence eternally rejoice.
